

REMARKS

Favorable reconsideration of this application, as presently amended, is respectfully requested.

Claims 1-12 and 21 are currently pending. Claims 22-33 have been cancelled without prejudice or disclaimer; and Claim 1 has been amended by the present amendment. The change to Claim 1 is supported by the originally filed specification and does not add new matter.¹

In the outstanding Office Action, Claims 1-12 and 21 were objected to as containing an informality; and Claims 1-12 and 21 were indicated as allowable if rewritten or amended to overcome the objection to Claim 1.

Applicants gratefully acknowledge the indication that Claims 1-12 and 21 include allowable subject matter.

Regarding the objection of Claims 1-12 and 21, Claim 1 has been amended to recite, in part, "simultaneously viewable from said position," as suggested by the outstanding Office Action. Accordingly, the objection to Claims 1-12 and 21 are believed to have been overcome.

¹ See, *e.g.*, page 21, lines 12-19 of Applicants' specification.

Accordingly, in view of the prior indication of allowability, no further issues are outstanding and entry of the present amendment is believed to be in order. The present application is believed to be in condition for formal allowance. An early and favorable action to that effect is, therefore, respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
